

List of International Publications

- Arntzen, E. (2003). Assessment Applied Behavior Analysis. In R. F. Ballesteros (Ed.), *Encyclopedia of psychological assessment* (pp. 45-49). London: Sage Publications.
- Arntzen, E. (2004). Probability of equivalence formation: familiar stimuli and training sequence. *The Psychological Record*, *54*, 275-291.
- Arntzen, E. (2005). European Journal of Behavior Analysis. *ABA Newsletter*, *27*, 53-54.
- Arntzen, E. (2006). Delayed matching to sample and stimulus equivalence: Probability of responding in accord with equivalence as a function of different delays. *The Psychological Record*, *56*, 135-167.
- Arntzen, E. (2008). On the role of verbal behavior in understanding gambling behavior. *Analysis of Gambling Behavior*, *2*, 111-113.
- Arntzen, E., & Almaas, I. K. (1997). Reduction of phobic behaviour for animals in a boy with mental retardation. *Scandinavian Journal of Behaviour Therapy*, *26*, 124-131.
- Arntzen, E., & Almaas, I. K. (2002). Effects of mand-tact vs. tact-only training on the acquisition of tacts. *Journal of Applied Behavior Analysis*, *35*, 419-422.
- Arntzen, E., Galaen, T., & Halvorsen, L. R. (2007). Different retention intervals in delayed matching-to-sample: Effects of responding in accord with equivalence. *European Journal of Behavior Analysis*, *8*, 177-191.
- Arntzen, E., Gilde, K., & Pedersen, E. (1998). Generalization of schedule following in a youth with autism. *Scandinavian Journal of Behaviour Therapy*, *27*, 135-141.
- Arntzen, E., Grondahl, T., & Eilifsen, C. (in press). The effects of different training structures in the establishment of conditional discriminations and the subsequent performance on the tests for stimulus equivalence. *The Psychological Record*.
- Arntzen, E., Halstadro, A. M., & Halstadro, M. (2003). Training play behavior in a 5-year-old boy with developmental disabilities. *Journal of Applied Behavior Analysis*, *36*, 367-370.
- Arntzen, E., Halstadro, L. B., Bjerke, E., & Halstadro, M. (2010). Training and testing theoretical music skills in a boy with autism using a matching-to-sample format. *Behavioral Interventions*, 129-143. doi: 10.1002/bin.301
- Arntzen, E., Halstadro, L. B., & Halstadro, M. (2009). The “silent dog” method: A procedure for analyzing the impact of self-generated rules when teaching different computer chains in two boys with autism. *The Analysis of Verbal Behavior*, *25*, 51-66.
- Arntzen, E., & Holth, P. (1997). Probability of stimulus equivalence as a function of training design. *The Psychological Record*, *47*, 309-320.
- Arntzen, E., & Holth, P. (2000a). Differential probabilities of equivalence outcome in individual subjects as a function of training structure. *The Psychological Record*, *50*, 603-628.
- Arntzen, E., & Holth, P. (2000b). Probability of stimulus equivalence as a function of class size vs. number of classes. *The Psychological Record*, *50*, 79-104.
- Arntzen, E., Hughes, J. C., Pellón, R., & Moderato, P. (2009). Behavior Analysis in Europe. An update. *European Journal of Behavior Analysis*, *10*, 95-100.
- Arntzen, E., & Lian, T. (in press). Trained and derived relations with pictures as nodes. *The Psychological Record*.
- Arntzen, E., Lokke, J., Lokke, G., & Eilertsen, D. E. (In press). Misconceptions about Behavior Analysis among University Students and Teachers in Norway. *The Psychological Record*.

- Arntzen, E., Ro Tonnessen, I., & Brouwer, G. (2006). Reducing aberrant verbal behavior by building a repertoire of rational verbal behavior. *Behavioral Interventions*, 21, 177-193.
- Arntzen, E., Sagvolden, T., & Slatta, K. (1993). Effects of methylphenidate hydrochloride (Ritalin) on temporal and spatial distributions of responses. *The Psychological Record*, 43, 223-233.
- Arntzen, E., & Stensvold, J. (2007). Treatment of Compulsive Gambling. *Analysis of Gambling Behavior*, 1, 50-58.
- Arntzen, E., & Vaidya, M. (2008). The effect of baseline training structure on equivalence class formation in children. *Experimental Analysis of Human Behavior Bulletin*, 29, 1-8.
- Arntzen, E., Vaidya, M., & Halstadro, L. B. (2008). On the role of instruction in conditional discrimination training. *Experimental Analysis of Human Behavior Bulletin*, 29, 17-24.
- Arntzen, E., & Werner, S. B. (1999). Water mist punisher for two classes of problem behavior. *Scandinavian Journal of Behaviour Therapy*, 28, 88-93.
- Arntzen, E., & Westad, G. (1995). Use of photographic activity schedules to increase on-task behavior in a woman with mental retardation. *Scandinavian Journal of Behaviour Therapy*, 24, 151-161.
- Eilifsen, C., & Arntzen, E. (2009). On the role of trial types in tests for stimulus equivalence. *European Journal of Behavior Analysis*, 10, 187-202.
- Fagerstrom, A., Arntzen, E., & Foxall, G. R. (2009). Use of MediaLab™ in experimental behavioral research: The case of consumer decision making. *European Journal of Behavior Analysis*, 10, 155-166.
- Fagerstrom, A., Foxall, G. B., & Arntzen, E. (in press). Implications of Motivating Operations for the Functional Analysis of Consumer Behavior. *Journal of Organizational Behavior Management*.
- Fredheim, T., Ottersen, K.-O., & Arntzen, E. (2008). Slot-Machine Preferences and self-rules. *Analysis of Gambling Behavior*, 2, 35-48.
- Holth, P., & Arntzen, E. (1998a). Stimulus familiarity and the delayed emergence of stimulus equivalence or consistent nonequivalence. *The Psychological Record*, 48, 81-110.
- Holth, P., & Arntzen, E. (1998b). Symmetry versus sequentiality related to prior training, sequential dependency of stimuli, and verbal labeling. *The Psychological Record*, 48, 293-315.
- Holth, P., & Arntzen, E. (2000a). Contextual control of conditional discriminations: Bases for class partitioning in matching versions of Stroop-type tasks. *The Psychological Record*.
- Holth, P., & Arntzen, E. (2000b). Reaction times and the emergence of class consistent responding: A case for precurrent responding? *The Psychological Record*, 50, 305-338.
- Lokke, G., Lokke, J., & Arntzen, E. (in press). Precision teaching and ballet dancing. *Journal of Precision Teaching and Celeration*.
- Malott, M. E., & Arntzen, E. (2009). *5th International Conference: Oslo, Norway*. Inside Behavior Analysis, (1).
- Sagvolden, T., Arntzen, E., & Slatta, K. (1986). Is reinforcement of responses changed by central stimulants. *Neuroscience Letters, Supplement*, ??, ??
- Sagvolden, T., Slatta, K., & Arntzen, E. (1986a). Ritalin effects on the delay of reinforcement gradient. *Psychopharmacology*, 89, 30.
- Sagvolden, T., Slatta, K., & Arntzen, E. (1986b). Ritalin effects on the delay on the spatial distribution of responding. *Psychopharmacology*, 89, 30.

- Sagvolden, T., Slatta, K., & Arntzen, E. (1988). Low doses of Methylphenidate (Ritalin) may alter the delay-of-reinforcement gradient. *Psychopharmacology*, *95*, 303-312.
